Dear Mr Gruman,

Your e-mail was forwarded to me as it is the Current Affairs Committee (of which I am the secretary) that deals with minority language issues.

We have taken note of the petition and will transmit it to the Bureau for discussion at its meeting on 15 September. I will also forward it to the rapporteurs, Lelia Hunziker and Anna Magyar.

Ms Magyar had already mentioned this petition to us after her visit to Covasna in May.

Please note that a resolution and a recommendation on "Regional and Minority Languages in Europe Today" will be adopted at the March session in the regional chamber.

Best regards,  
Sedef
